By-By Lullaby - English Trad. 530 (adapted)

In a dream late as I lay,
I thought I heard a maiden speak so clear:
"My little boy with you I play,
and then she sang by lullaby."
Thus she rocked her tiny child.

Little baby, rocking.
By, by, lullaby.

And then I married her to see, a babe virgin's knee.
And thus she rocked her tiny child.

Thus she rocked her tiny child.
