Have you not known?  
Have you not heard?

The Lord is the everlasting God  
the Creator of the ends of the earth.

He will not grow tired or weary  
and his understanding no one can fathom.

He gives strength to the weak  
and increases the power of the weak.

Even youths grow weary and fall;  
and young men stumble and fall;

but those who trust in the Lord  
will not be ashamed.

They will not grow weary,  
they will not be faint,  
they will not grow weary,  
they will not be faint.

Isaiah 40:26-31

**Dr. Larry Nickel** is an active musician; singing, directing and writing choral music. Edna and Larry live in Vancouver, Canada, close to their children and grandchildren.

"In 1989 I nearly died from viral encephalitis, emerging from a coma after fifteen days. I had to learn how to walk and talk again. Few people survive the rare illness and those who do are often severely brain-damaged. During my long convalescence I wrote and arranged a collection of choral music titled "Songs My Father Taught Me", which was recorded by the West Coast Mennonite Chamber Choir. My Mom and Dad used to sing songs which were passed down to the Okanagan Lake in July, when I was nine. My three younger brothers and I sang along.

Einstein said, 'There are only two things you can't take with you in your life. One is as though nothing is a miracle. The other is as though everything is a miracle'. I believe in the wonders of God and have experienced much love and joy in my life. Writing music is a way for me to give back to others.
