Have you not known?
Have you not heard?

The Lord is the everlasting God
the Creator of the ends of the earth.

He will not grow tired or weary
and his understanding no one can fathom.

He gives strength to the weak
and increases the power of the weak.

Even youths grow weary and fall;
and young men stumble and fall;

but those who trust in the Lord
will renew their strength.

They will not grow weary,
they will not be faint,
they will not grow weary,
they will not be faint.
