1. Saint Ni - co - las at Christ - mas time Brings

cheer for young and old: From far a - way he

comes to - day in spite the frost and cold. This

good - ly Saint of old - en times, In spir - it liv - ing

still, That we may say,

Christ - mas Day, On earth peace and good - will.

2. For children old and children young
 These gifts the Saint doth bring
 To you here a Baby dear,
 Child of whom we sing.
 On Christmas morn this Babe was born,
 All in a manger laid;
 Our Lord He lay among the hay,
 To Him be homage paid.

3. He came so softly on that night,
 Lit by a wondrous star,
 To save mankind, unseeing, blind,
 His people near and far.
 So let us sing of Christ our King,
 To Jesus let us pray
 That we may be His children free
 This happy Christmas Day.
