Stephen Smith grew up in rural Nova Scotia, where he sang and played the piano from an early age. After initial studies in his home province in both piano and organ, he attended the Royal Northern College of Music in Manchester, England. While there, he participated in national and international competitions and won numerous awards and distinctions. Since 1990, Stephen has lived in Vancouver, obtaining his doctoral degree in piano performance from the University of British Columbia and contributing to the musical life of the city as a performer, teacher, composer, choral conductor, and adjudicator. His choral arrangements and compositions have been performed and recorded by choirs from St. John's, Newfoundland to Seoul, South Korea.
