Dr. Larry Nickel is an active musician; singing, directing and writing choral music. He and Edna live in Vancouver, close to their children and grandchildren.

"In 1989 I nearly died from viral encephalitis and emerged from a coma after fifteen days. I had to learn how to walk and talk again. Einstein said, 'There are only two ways to live your life. One is as though nothing is a miracle. The other is as though everything is a miracle'. I believe in the wonders of God."
