Bringing desert animals to the Great White North - what were they thinking? The Bactrian camels were used on the Douglas Road and the Old Cariboo Road (British Columbia) in 1862 and 1863 to haul freight during the Cariboo Gold Rush. Although the experiment was a failure, the Cariboo camels retained an almost legendary status in local popular culture. Read the Wikipedia article for more information.

This picture (left) is the only remaining photograph of the event.

Bruce Coughlan and his band - "Tiller's Folly" - are known for their historically based ballads in the acoustic "Roots Music" genre.

Bruce has recorded 14 albums since 1984 - available on iTunes.
