Larry formed a Christian folk band in 1970 called "The Sound of Light" - during his first year of college. His younger brother, Gordon, joined the band one year later. Gordon (bass player) wrote this song, Larry (on guitar) wrote a bridge to the text, and years later Larry arranged the anthem for a cappella choir. The "na-na-na" section used to be a harmonica solo!

Now Gordon has a PHD in Islamic Studies and has written several books on the subject. Larry also has a doctorate - in composition - and owns/operates Cypress Choral Music.

Both brothers still believe that it's never too early to commit one's life to our loving Creator.
