

## NAME THAT COMPOSER

Cypress is delighted to promote the choral music of over 180 Canadian composers. That's our mission!

Name 30 composers and/or curators and receive a FREE order of choral music for your entire choir when a 2nd selection of equal or greater value is ordered with the same number of copies. (This is a two for one special - **available during the month of May, 2020**. - exclusively for Canadian choirs). Cheating is allowed and strongly encouraged. Visit our website for assistance to match names with faces - or consult with friends. This is meant to be fun and informative during this stifling coronavirus pandemic. Of course, you will need the numbered photo sheets - viewed on the Cypress website. Just write Larry (Dr. Nickel) if you need help, have any questions, concerns or comments: [larrynickel@mac.com](mailto:larrynickel@mac.com)

Follow this process, please:

- 1) name 30 composers - fill in the blanks and add a few extra in case you get one wrong
- 2) email this answer sheet via PDF to Cypress. (*print off, fill out, scan to PDF - whatever works for you*)
- 3) we will grade your score and - (*should you pass the test :) - send you a special order form via email*
- 4) then fill out and submit that order form with at least two song titles (one for FREE and one you get to pay for)
- 5) we will send you the invoice and, once that is settled, we can ship the music to you
- 6) you will pay for shipping/delivery so submitting several titles for the coming choir year at once will help to reduce shipping fees in the long run. Cypress has so many fantastic new options again this year!
