... note:

...s grace is real to me. My mom and dad have passed away but I look forward to seeing them again. Some think that eternity in heaven will eventually be really boring - after a billion years or so. But I'm convinced that we have very exciting and unimagined times ahead. "For now we see in a mirror dimly." 1 Corinthians 13:12

I like what Bono (lead singer of U2) had to say in 2004; "Karma is at the very heart of the universe, I'm absolutely sure of it. And yet, along comes this idea called Grace to upend all that "as you reap, so you will sow" stuff. Grace defies reason and logic. Love interrupts, if you like, the consequences of your actions... The point of the death of Christ is that Christ took on the sins of the world, so that what we put out did not come back to us, and that our sinful nature does not reap the obvious death."
