Joanna Schwarz (b. 1951) grew up in Parksville on Vancouver Island and has made her home in Squamish, BC since 1973. "My parents gave me many opportunities in the arts including lessons in dance, guitar, singing, piano performance and drama. The variety of experiences has greatly enriched my creative life. Now after 30 years as a piano teacher and volunteer in the performing arts, I get to follow my loves of writing, photography and songwriting. "Thanks to Larry Nickel's recent arrangements, several of my songs are now accessible to choirs." JS
